## WILL YOU HELP?

Have you visited the headquarters of the local chapter of the national Red Cross, 130 Main street, next door to the Kind company? Have you seen there the small but earnest body of women engaged daily from 9:30 to 12, from 2 to 5 o'clock? From the national headquarters at Washington came the call to the Red Cross chapter for 650,000 hospital or surgical shirts, and to Tonopah was allotted 700 yards of material. So far about forty women have registered and are doing their best towards filling this order, but the need is a crying one, and much more help is required. There should be at least from fifteen to twenty women each morning and the same number each afternoon in order to get the work finished and ready for shipment to the head office, where all work is again inspected and then sterilized and packed for its merciful journey.

Far, far has the cry for help come to us, but because our eyes are not yet saddened by the bit of helpless cloth where once a strong arm swung, our ears not yet attuned to the thump, thump of the wooden peg, our hearts and homes not yet desolated, can we let pass, unheeded, this the cry of those so bereaved? We know that almost every woman in our town is doing something to help the world in this Titanic struggle for democracy, for freedom, and we do not deem any such effort, but we do ask that you help us in this immediate need. Won't you give at least one morning or one afternoon a week? Remember we are not a local organization, we are a local chapter of a world-wide organization, and in the name of all suffering humanity we ask for your help, your immediate help. When Mr. Hush, the national representative of the Red Cross was here, recently said: "There is but three arms to the government, the army, the navy and the Red Cross." Come and register. There is but one Red Cross chapter in any community, ours is at 130 Main street. This room, large, airy and light has been donated us, absolutely free of any and all expense, as have been donated the telephone, the chairs, the sewing machines, the sewing and cutting tables and through the generosity of painters and paper hangers has been made fresh and clean. No skill is needed, for fortunately we have volunteers skilled in cutting and sewing, but we want the woman who can run a machine, sew a straight seam, or, if she cannot do that, she can pull out bastings, do anything to help facilitate the getting out of this order to your near and dear one soon to cross the ocean to offer his loyalty, his life, to the great cause? Then surely you want to rest assured that your tender loving hands have made it possible for the nurse, the surgeon to give of their skill and care unhampered by dearth of clean, fresh linen. Or are your dear ones spared you? Then for the sake of that other mother, sister, wife, give, give, not only your dollar, but your time, your skill, your earnest, best effort.

The Tonopah Chapter of the National Red Cross.

## T. A. R. EXHIBIT DRAWS A CROWD

## RECEPTION AT THE BARRACKS DRAWS AN ENTHUSIASTIC ATTENDANCE

The T. A. R. reception held at the barracks last night was well attended and a very interesting affair. The exhibit arranged by Miss McGregor and her assistants attracted every one. On a mimic field of battle a tiny soldier fought bravely in the trenches while near by was an ambulance and stretcher ready to convey him to the hospital and tender care of a pretty Red Cross nurse.

All sorts of surgical dressings were also on exhibition.

Vocal solos were rendered by Mrs. Bushman, Mrs. Neth, Georgia Money and Ryder Ray. The regimental song was sung for the first time in public, the accompaniment being played by Dorothy Marete. It is a very stirring ballad and Tonopah may well be proud of it as both the words and music have been provided by home talent.

Eager purchasers took many of the attractive ambulance savings banks and the buttons went like hot cakes.

The T. A. R. expects to do a great deal of the surgical dressings work from now on. Any one wishing to help in any way may communicate with Mrs. Grigsby at Miss McGregor.

## Women With Mustaches.

The Alnus, aboriginal race of Japan, live in the island of Yedo, although the race has become so reduced that there are now not more than 10,000 or 15,000 of them left in the country. The most noticeable peculiarity about Alnu women is that they have tattooed upon their upper and lower lips what resembles a mustache. The women are not considered attractive, and their matrimonial prospects are quite injured without this decoration. The mustache is begun when the girl is quite a child. It is done gradually, a little each year, until it extends partly across the cheek, the material used being the soot from burning birch bark. The face is cut and the black rubbed in. Afterward it is washed in a solution of ash bark liquor to fix the color.

D. A. McDonald, for many years a leaser in the Tonopah district, is in the county jail at Goldfield for an alleged assault on Vivian Hughes of Blair, said to have been committed Sunday, says the Goldfield Tribune.

He is said to have struck Hughes with a piece of drill steel as a result of a dispute over the disposal of mining property near Blair. It is reported that Hughes and McDonald were joint owners of the property and that after it had been sold by McDonald, an interest in the proceeds of the sale were claimed by Hughes. It is understood that McDonald contends Hughes had relinquished his interest in the property.

McDonald is an old man, about 60 years of age and Hughes is a young man. McDonald claims he struck Hughes in self defense after the latter had entered his cabin and attempted to assault him.

Following the altercation McDonald went to Blair and surrendered himself. Hughes is reported to have been unconscious for several hours but it is now said that his injury is not serious.

Mr. Hughes is an employee of the firm of Lothrop-Davis and as soon as the news was received last evening in a party of his friends motored over to Blair to bring the injured man to Tonopah where he could
